Pastor's Corner

Have you ever heard of the Daily Rosary Meditations App?

Holy Family School of Faith (founded in 2005) is a public association of the lay faithful that seeks to help form people in their Catholic faith through friendship, conversation, and the Rosary. They created the Daily Rosary Meditations App to help promote the wonderful habit of praying the Rosary each day.

What's unique about the way they present it is that they offer rich and substantial meditations for each decade of the Rosary and they do this each day! It's kind of like getting 5 mini-sermons to help you better focus as you pray the Rosary. I'm sure we've all prayed the Rosary poorly, letting our minds drift as we mumble the prayers like zombies. Well, Dr. Mike Scherschligt and Dr. Troy Hinkle make it a lot easier to zone in as you pray the Rosary and just by listening to the meditations, you receive some incredible Catholic spiritual formation.

I'd highly encourage you to download the app and give it a try!

Let's value our faith and treat it as the pearl of great price that it truly is by intentionally striving to grow closer to Christ using the wonderful resources we've been given. We really are blessed to live in an age that provides so many incredibly effective ways to learn and grow as Catholics.
