Take one day to reconnect and invest in your marriage. This Marriage Mini-Retreat is for every couple—newly married, married for decades, or simply navigating a busy season of life.

Based on the Relationship Attachment Model (RAM), the retreat includes short talks, guided reflection, and private couple conversations designed to strengthen connection, improve communication, and deepen understanding. This is a tune-up, not a repair shop—a chance to pause, reconnect, and be refreshed in a supportive, faith-filled setting. This is not group sharing or therapy. It's time for the two of you, together.
