

IC Finance Committee minutes from meetings on 11-5-24 & 11-19-24 at 3:00 pm

Present at the meeting were Father Ahn, Rick Reese, Doyle Pearl, Claire Pearl, John Simecka, Steve Mees, Rich Schoenfeld, and Steve Denton.

Father opened with Prayer

Rick Reese is stepping down from the committee as President. He nominated Rich Schoenfeld to be on the committee. Everyone was in favor.

Rick nominated Doyle Pearl to be the new Chairman of the committee. All approved.

Was brought up that we might need to look at "Repointing" the crawl space in the near future as well as some grouting. Was also noted that some cracks have come back on the plaster inside the church on the north west side. Nothing was visible from the outside.

Might want to have an architect come look at it.

We received the surveys back. Parishioners that responded indicated they would donate a total of \$367,000. That was from 58 surveys that we received back. We will send out the actual pledge cards in December.

We have \$300,000 in our account now including what was left over from the last Capital campaign.

We will get the down payment to Scott Hoefer after first of year and plan to start the project in January.

We talked about what to do with the Holy Cross church hall and land. Pott County fire department is interested in buying some of the land to build a new rural fire department there.

Might want to get the land appraised by Joe Roth to see what its worth.

Steve Mees was going to talk to the county again to get more details.

Nov 20th & Dec 4th we will have informational meetings for parishioners to voice any concerns and to ask any question about the window restoration project.

Steve mees is still looking into supplemental insurance for the project.

Next meeting is on 12-17-24 at 3:00pm

Meeting adjourned at 4:35
