Father opened with Prayer

Rich provided us with a copy of the contract for the Sell of Holy Cross Church for our approval. Claire Pearl motioned to approve it & Steve Denton seconded. All approved.

As of 2-4-25 we have received \$164,003 from our parishioners, for the window renovation project.

Our goal for donations from the parishioners is \$500,000. We are at 33% of our goal.

We have enough money to get started on the project. We are just waiting for the Archdiocese to approve the contract.

We are looking into more kneelers for the Alter boys.

Going to contact more parishes about sound system options.

Father Ahn closed with a prayer at 4:25
