

- After the soldering is completed the windows are placed back into the wash bay to remove flux from the solder work. The wood frames will be repaired and painted. Any rotted wood will be replaced.
- The windows will be reassembled and transported back to St. Marys. The installation will include new white vented 500 series aluminum exterior coverings with new ¼” clear glass on the exterior of the windows.

The estimated timeline for this project is as follows:

January, 2025-August, 2025
4 of the 8 side windows.

September, 2025-December 2025
1 of the 2 large side windows.

January, 2026-April, 2026
The 2nd large side window plus the round window above the front doors.

May, 2026-April, 2027
The remaining 4 of 8 side windows plus the 2 windows on each side of the front doors.

May, 2027-December, 2027
The remaining 7 windows.

We have scheduled informational meetings for Wednesday, November 20, 2024 and Wednesday, December 4, 2024 at 6:30 in the Holy Family Hall to review the project and answer questions. If you are interested in this project we encourage you to attend one of the meetings.

If you have any questions, please contact one of the Finance Council members.
