Encounter Healing Services

***Are you in need of prayer or physical healing-
chronic conditions, broken bones, pain, cancer?***

Encounter School of Ministry is hosting three upcoming healing services. We have an expectation and faith for Jesus to work physical healing miracles on these nights. The night will consist of a time of worship, Gospel presentation on healing, corporate prayer for healing, and individual prayer for healing. We encourage anyone in need of physical healing to come as well as anyone wanting to encounter manifestations of God's presence. This is an open event—no cost or registration. Jesus still heals today and desires to demonstrate the truth of the Gospel through healing.

Your Giving Legacy

Did you know that by taking advantage of a Qualified Charitable Distribution (QCD), you are able to lower your taxable income and make a greater impact on your favorite charitable causes? If you are 70 1/2 or older, you can contact your IRA custodian and have them directly transfer funds to a 501c3 organization. By using this vehicle, you avoid the taxes on your required minimum distribution while making a more significant impact on the Catholic causes you love the most.

We at the Catholic Foundation are happy to answer any questions you may have about QCDs. For more information, please contact Mitch Nolan, Gift Planning Consultant at the Catholic Foundation of Northeast Kansas mnolan@archkck.org (913) 647-3070
