FEATURED

A Pro-Life Prayer

Father of us all, Author of all life, I thank you for my life and the appreciation of it.
Please help me to always respect the lives of all your children from conception until natural death.
Let your Spirit enlighten the minds and open the hearts of those who do not fully respect all human life according to your will.
Where there is remorse, grant peace to all women and everyone affected from past abortions.
Lighten the burdens of all women with problem pregnancies.
Thank you, Father.
Amen.
