+ St. Joseph Altars Sponsored by Rel. Ed. Program +

Our Religious Education Students are sponsoring a St. Joseph's Altar in **both school and church** benefitting those in need who find assistance through the **St. Marys Food Pantry**. All canned and dry goods will be donated to them. This will be the only Food Drive the students will have done this year...so, please be generous. We cannot thank you enough for your contributions to help our children—FEED THE LESS FORTUNATE. May God bless you!!
